**Why Are People Confused
and in Conflict Over This War?**

**ISRAEL
AT
WAR**

The Western World has been Indoctrinated with Revisionist History

1. Western Worldview is More Cultural than Biblical. Despite our Judeo-Christian foundation, when modern culture is in opposition to biblical revelation, culture wins. The concept of a Chosen People (Israel) is viewed as racism, war to remove those who seek Israel's extermination is viewed as genocide (even though one-sided), biblical and historical right to the Land is viewed as colonialization and occupation. This is true for both secularists and Christians.

2. The younger generation has been indoctrinated for decades with a worldview of the Oppressed and the Oppressors. Those who are deprived are not responsible but some greater outside agent. Israel, is an Oppressor and any means of resistance and ultimate replacement by the Oppressed is justifiable.

Which Statement is True?

The Palestinians have lived under Israeli occupation for 75 years! The Zionist occupiers stole their land and have kept the people of Gaza in poverty and prevented them from developing their city and lives. The Zionists have the power as they control the water and electricity. When a people are deprived of freedom and oppressed every day they have no choice but resistance, which is justified because of their victimization.

Facts About Israel and the Palestinians (You Might Not Have Heard)

- 1. Before 1948 the Jews were the Palestinians.**
- 2. In 1948 Israel became a State. Arabs in Israel were Israelis and Arabs outside of Israel eventually identified politically as Palestinians.**
- 3. From 1948–1967 Gaza was under Egypt, the West Bank under Jordan, the Golan Heights under Syria. Since 2005 Gaza has been autonomous.**
- 4. There has never been a Palestinian people, language, culture or state in the Land of Israel and it was never Palestinian “ancestral land.”**
- 5. Jews never left their ancestral land but have maintained a continual residence in Israel for 3,500 years (in Jerusalem, Haifa, Tiberias).**

*The Ottoman Empire Towards
the End of the Seventeenth Century*

Before 1946 the Land of Israel (biblical term) was called by secular/classical name “Palestine” (coined by Roman Emperor Hadrian to punish Jews with name of their ancient adversary the “Philistines.”)

The “Arab” population was made up of many different warring tribes from many different nationalities (e.g., Turkish, Syrian, Egyptian, Bedouin) but there was no such thing as a distinct “Palestinian” people (other than the Jews).

Tribal leaders accepted and even encouraged Jewish return to the Land since it brought medical improvements and financial opportunities

In 1947 the UN proposed a partition plan for Palestine, then occupied by the British.

The Arabs (no modern Palestinians then) were given the largest territory connected to other Arab/Islamic lands.

In 1948 the Arabs rejected this plan but the Jews accepted it and declared the State of Israel after a UN vote of recognition.

Since this time no Arabs (including modern Palestinians) have accepted the proposal of a two-state solution. They have universally demanded a one-state solution without Israelis but possibly with Jews living as Dhimmis under Shariah law in their state of Palestine.

The Arabs invaded Israel to wipe it out and lost but Egypt got Gaza Strip, Jordan got the West Bank and east Jerusalem and Syria got the Golan Heights.

Israel got less land than the partition plan proposed and most of its territory was desert (Negev) and lost access to 64% of Jerusalem (including the Western Wall, the Hebrew University, Hadassah Hospital and site of Knesset and Supreme Court).

Israel occupied no one and sought to live in its territory in peace. But it was attacked again to wipe it out in 1967.

Again, the invading Arabs lost, and Israel gained control of the Gaza Strip, the West Bank, east Jerusalem and the Golan Heights.

The international community did not recognize the territory Israel gained (though every nation on earth has been allowed to retain territory as the result of war). It gave control of the Temple Mount to the Arabs (still no Palestinians mentioned). In 1973 the Arabs attacked again to wipe Israel out. Again, it survived, and despite continued declarations of war against it by the surrounding Arab states, it returned the Sinai to Egypt (80% of its territory gained in 1967) and gave the Gaza Strip to the Palestinians (land for peace). It only got more terror attacks.

The PA factions (HAMAS, Hizballah, Fatah, Islamic Jihad, ISIS, Houthis), are backed by Iran who became an Islamic theocracy in 1980. They call Israel the “Little Satan” and the U.S. the “Great Satan.” Since 2007 when HAMAS took control in Gaza it has regularly bombed Israel and kept its population poor in order to blame Israel for its poverty. Yet, it receives billions of dollars in international aid, much of which goes to fund terrorism.

WAR

This is anihilationist language!

Which Statement is True?

The Jewish People have been in the Land of Israel since they entered it 3,500 (after the exodus). Even after many invasions and domination by other nations, Jews remained in holy cities like Jerusalem, Hebron, Tiberias and others. When Jews outside the Land returned in the 19th century to join their Jewish communities, the only Palestinians were their fellow Jews whom the local Arabs identified as Palestinians (since from ancient times the Land of Israel, the home of the Jews, had been called Palestine). The Arab residents identified themselves as either Bedouin clans or as citizens of Turkey, Syria, Egypt or other countries. After the fall of the Ottoman Empire (1917) there were Arabs that continued to live on land they worked for the Turkish overlords. Only after the Jews created jobs did other Arabs come to the Land. In 1967 Israel won the Gaza Strip from Egypt. In 2005, Israeli settlements there were unilaterally dismantled and all Jews were evacuated from inside the Gaza Strip. The Palestinian Authority (Fatah) was granted full autonomy in Gaza, but were violently replaced by Hamas who was elected as the official government of the Palestinian people. Because Hamas did not develop Gaza's infrastructure, Israel had to provide water and electricity and other social services to the population as a humanitarian effort. Despite enforced poverty on the civilian population and continual rocket attacks on Israel that resulted in reprisals that further degraded conditions, as late as 2021 53% of the population of Gaza still approved of Hamas.

The Youth of the Western World Has Been Indoctrinated & Manipulated

- 1. The younger generation evaluates "truth" from a relative rather than absolute and subjective rather than objective perspective. As a result, social justice (or rather injustice) is determined by how others perceive (feel about) their situation. Therefore, they do not search for facts but declare solidarity based on feelings.**
- 2. Gen Z does not get news from any cable or streaming news source. It gets its information from Instagram comments or TikTok. The news on these sources is controlled, either by personal opinion or outright propaganda from the CCP (TikTok) or cyber-terrorists. It is styled for youth and mainly anti-Israel and pro-Palestinian, promoting terrorists organizations as "resistance movements."**

The Western World is Naïve and Ignorant of the Middle East Mind

- 1. The Western "Democratic" Multi-cultural, Pluralistic Worldview is completely unknown and opposed in Most of the Middle East. The majority of people in the Middle East are Muslim who do not value individuality (they must conform to the Islamic world that denounces democracy and free expression). Westerners value life whereas Muslims value death and martyrdom (which is the means to Paradise).**
- 2. "Moral equivalency is misunderstood." HAMAS' actions are said to be reinforcing a shared pathology: "people treated like animals acts like animals." Therefore, this is a rage of resistance against Israeli "ethnic cleansing." However, proportionality must be considered as well as motive and method. Muslims think in terms of religious duty to murder and massacre as prescribed by the Qur'an.**

Is This True?

“When it comes to the desire for liberty and justice, there is no clash of civilizations. People everywhere are capable of freedom and worthy of freedom. The desire for freedom resides in every human heart.”

President George W. Bush, Speech at the United Nations (2004)

Which Statement is the Truth?

We all have the same priorities, we can negotiate with anyone and everyone. Everyone is reasonable. Everyone wants the same thing, even if circumstances get a little out of hand from time to time. Even if a couple of weeks a year rockets fly from Gaza into Tel Aviv, that's just the frustration of reasonable people with reasonable priorities. It's just all a "cycle of violence." Hamas is occupied with governing the 2.5 million Palestinians in Gaza and has abandoned the idea of violent resistance. We must show restraint and offer negotiation to resolve this conflict.

Which Statement is True?

Hamas never cared about the Palestinian civilians in Gaza. Every bit of money that flowed into Gaza over the course of the last 20 years has been used for purposes of murdering Jews. They don't care about their own people; their highest aspiration is death. They hide military installations under schools and hospital and tell people to stay in place so they can die and Israel can be blamed for atrocities. HAMAS only wants a cease fire to enable it to rearm and prepare for further attacks. It goal remains to eliminate all Jews in Israel.

How Does HAMAS Think?

Hamas does not think like you! Islam does not differentiate between government and religion. Their religious construct is a theocracy therefore, every Muslim is opposed to the concept of democracy. They may live within democracies in America and Europe but they live to overthrow them whenever possible. Islam exists for the clash of civilizations; the goal of conquering and subjecting every other civilization to Islam. There is no such concept as "justice" in the social sense and Muslims oppose the very concept of "freedom." They do not think in terms of "humanity" but only in terms of what makes for Islamic unity under the governance of Shari'ah Law, which does not regard the individual's rights or personal liberty. They do not value life but consider their citizen's lives, as their enemies' lives, expendable in the cause of Jihad (holy war) for the sake of achieving the goal of worldwide subjugation (the meaning of "Islam").

Hamas Covenant 1988

The Covenant of the Islamic Resistance Movement

“Our struggle against the Jews is very great and very serious ... It is a step that inevitably should be followed by other steps. The Movement is but one squadron that should be supported by more and more squadrons from this vast Arab and Islamic world, until the enemy is vanquished and Allah's victory is realized.”

Article 8: “Allah is its target, the Prophet is its model, the Qur’an its constitution: Jihad is its path and death for the sake of Allah is the loftiest of its wishes.”

“Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it”

Hamas leader's "dream come true": Slaughter of Israeli civilians

Nan Jacques Zilberdik | Oct 12, 2023

Hamas' torture, rape, kidnapping, and murder of 1,200 Israelis, most of them civilians, is "a dream come true," says Hamas leader Khaled Mashaal.

Senior Hamas official Khaled Mashaal made a special speech to celebrate Hamas' horrific atrocities. He sent "Allah's blessings" to all the Hamas leaders involved in the planning of the Hamas pogrom, specifically mentioning Muhammad Deif and Yahya Al-Sinwar and **"to everyone who prepared, organized, arranged, and made this dream come true... They brought about this glory."**

In addition, he sent "Allah's blessings" to the "heroes" who committed the atrocities.

As of this writing, Hamas' "dream come true" includes 1,200 murders of Israelis, at least 3,100 injured, 150 kidnapped men, women and children, rape, and mutilation of dead bodies.

Do not approach from the security wall, and whoever does so, is risking their lives,' read the leaflets from the IDF. The Israeli military said it would

“There may be moderate Muslims, but Islam itself is not moderate. There is no difference between Islam and Islamic fundamentalism: at most there is a difference of degree but not of kind ... Islamic fundamentalism is a totalitarian construct derived by Muslim jurists from the fundamental and de-fining texts of Islam ... Islamic fundamentalism has global aspirations: the submission of the entire world to the all-embracing *Shari'a* (Islamic Law), a fascist system of dictates designed to control every single act of all individuals.”

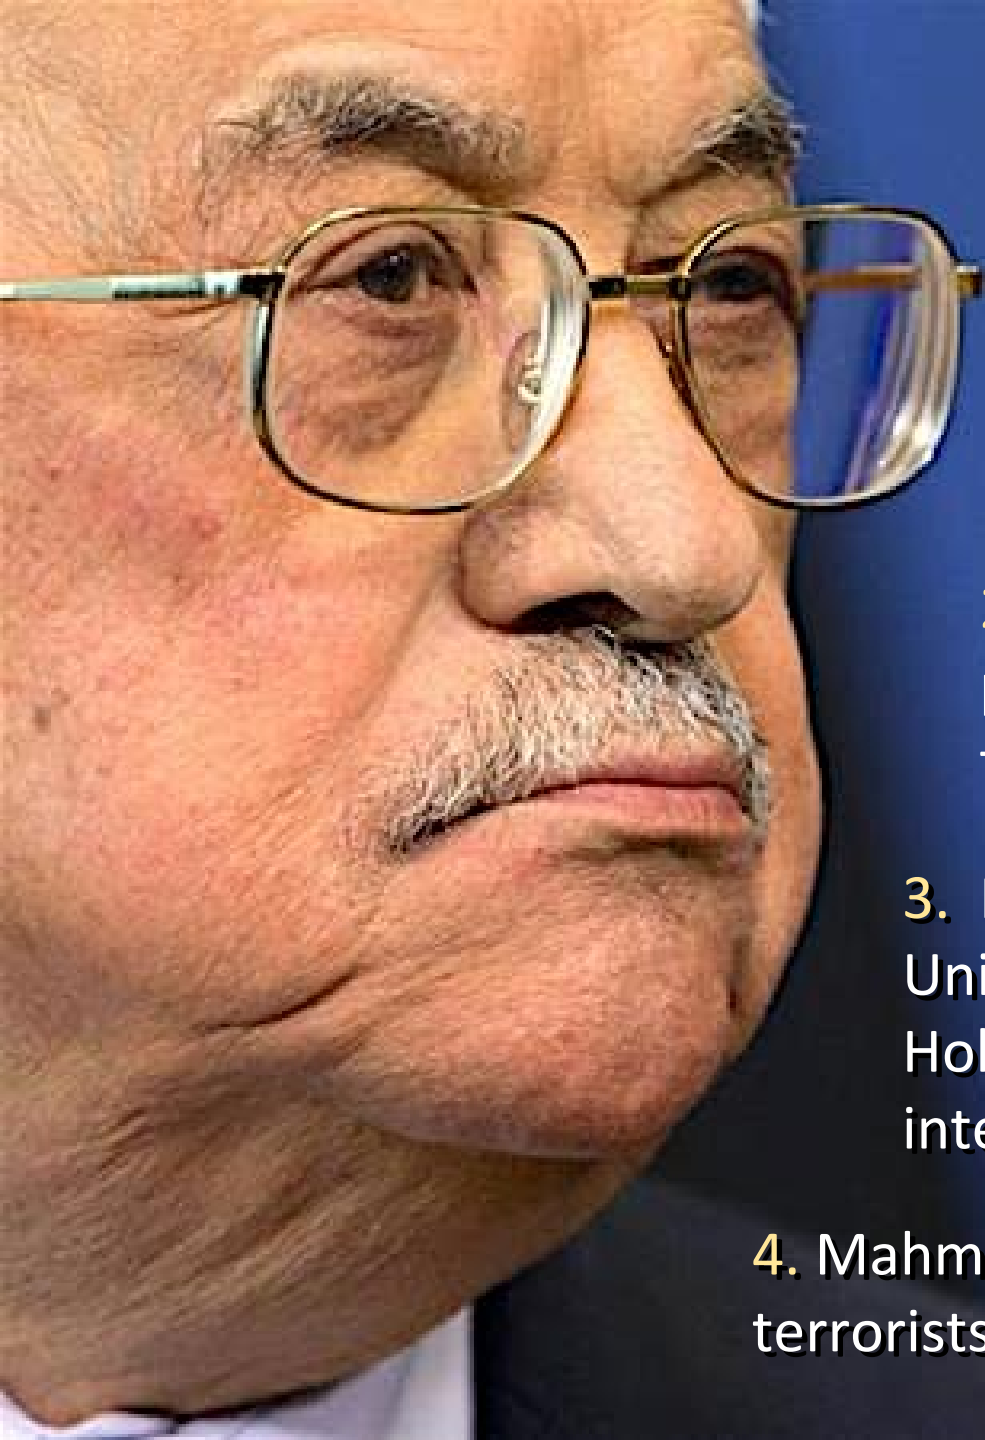

Ibn Warraq, former Muslim and author of *Why I Am Not a Muslim*

Wahhabi Islam (90% of Muslims Worldwide)

Wahhabism is a radical sect of Islam founded by the 18th century Arabian nationalist reformer, Muhammad ibn Abdul Wahhab. Wahhab sought to reverse the century-old decline of the Muslim empire by removing the cultural pollution of Western influence and returning Islam to a past golden age where the Qur'an was interpreted literally and Islamic law was fundamentally practiced and strictly enforced. As a literal interpretation of the Qur'an, Hadith, and Sunna, Wahhabi theology promotes offensive jihad and promises heavenly reward in Paradise with celestial maidens for jihadic martyrs. In 1744, Muhammad ibn Saud, the local ruler of Dariya, a town north of Riyadh, embraced Wahhab's teachings and the two swore an oath of allegiance to spread this purified faith throughout Arabia. In pure form, **Wahhabism is a death cult** which has spearheaded the violent revolutionary overthrow of Islamic countries such as Afghanistan whose local government was replaced with radical Taliban rule under Shariah (fundamentalist Islamic) law.

The Al-Aqsa mosque is the focal point of Israeli-Palestinian tensions

As per Hamas, this is the start of "Operation Al-Aqsa Deluge," reported The Times Of Israel. Muhammad Deif, military commander of the group, in a recorded message, said, "Today the people are regaining their revolution." He claimed that the operation was launched in retaliation for Israel's "desecration" of the Al-Aqsa Mosque on the Temple Mount in Jerusalem, and a follow-up of previous warnings by the group. He has also **asked the "Palestinians living in East Jerusalem to join the forces and expel the occupiers and demolish the walls."**

They were reported to the Secretary Alejandro Mayorkas who refused to dismiss her for promoting terrorism (on administrative leave).

"Pray for the peace of Jerusalem: May they prosper who love you. May peace be within your walls, and prosperity within your palaces. For the sake of my brothers and my friends, I will now say, may peace be within you. For the sake of the house of the LORD our God I will seek your good." Psalm 122:6–9

Allah Turned the Jews into Apes and Pigs

The divine punishment of Jews is mentioned in three Quranic verses: "... They are those whom Allah has cast aside and on whom His wrath has fallen and of whom He has made some as apes and swine..." (5:60); "...You have surely known the end of those . . . : Be ye like apes, despised" (2:65; 7:166).

“This kind of barbaric mutilation can only be done by a human being who is indoctrinated from a young age”

The Muslim Woman Magazine TV program interviewed a three-and-a-half-year-old "real Muslim girl" about Jews. The girl was asked whether she liked Jews; she answered, "no." When asked why she didn't like them, she said that Jews were "apes and pigs." "Who said this?" the moderator asked. The girl answered, "Our God." "Where did He say this?" "In the Quran." At the end of the interview, the pleased moderator said: "No [parents] could wish for Allah to give them a more believing girl than she... May Allah bless her, her father and mother. The next generation of children must be true Muslims. We must educate them now while they are children, so that they will be true Muslims."

Hamas' Camps For Children And Youth – A Means Of Indoctrination For Jihad And Martyrdom, Imparting Military Skills

✂ ANOTHER PHONE CONVERSATION between son (Hamas terrorist) and father was released - the son all excited: "Baba, father, I killed ten Jews with my own hand - see on WhatsApp, I filmed everything" - in the background hears the Israelis pleading for their lives, while telling his parents with pride.

🇮🇱 ✂ FROM THE ISRAELI INTERROGATION ROOM: Many Hamas terrorists, captured alive after the October 7 invasion, by Israel, admit that they were "ordered by their commanders to kill, mistreat, rape, kidnap Jews" and for every Israeli kidnapped, they were promised "an apartment and \$10,000" - pure deceit.
